2. Fill out the appropriate fields, then click on the “Sign Up” button.

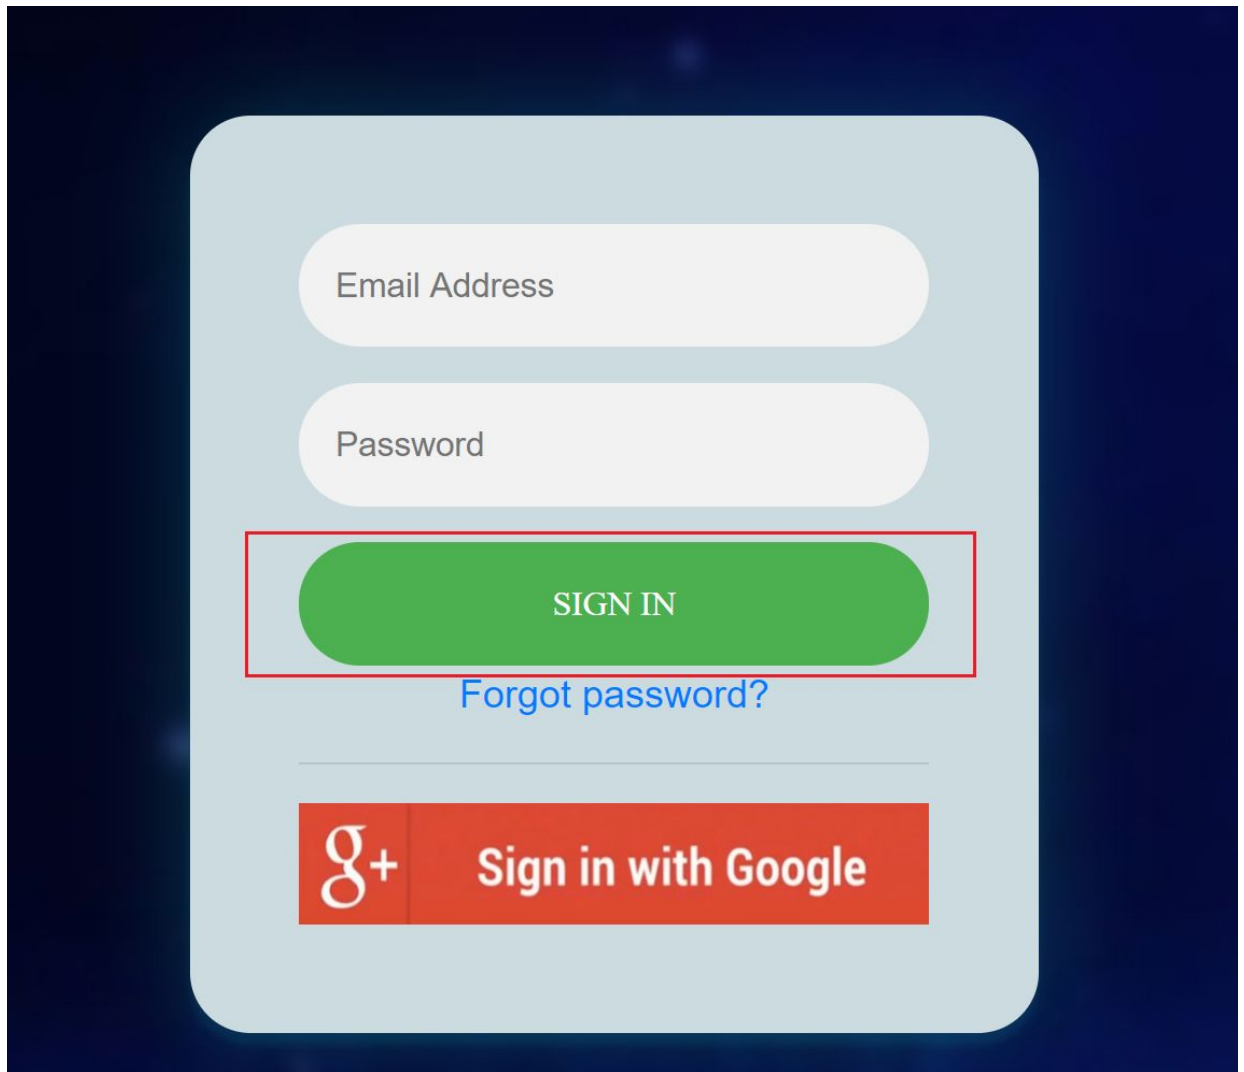

A sign-up form is displayed on a dark blue background. The form is contained within a light blue rounded rectangle. It features four white rounded input fields stacked vertically, each with a placeholder label: "Full Name", "Email Address", "Password", and "Confirm Password". Below these fields is a green rounded button with the text "SIGN UP" in white. A thin red rectangular border highlights the "SIGN UP" button.

3. Your email address and password combination has now been created.

Logging In

1. Fill out the appropriate fields, and click the “Sign In” button.

The image shows a login interface on a dark blue background. It features a light blue rounded rectangle containing the following elements:

- An "Email Address" input field.
- A "Password" input field.
- A green "SIGN IN" button, which is highlighted by a red rectangular border.
- A blue link labeled "Forgot password?" located directly below the "SIGN IN" button.
- A horizontal separator line.
- A red button with the Google+ logo and the text "Sign in with Google".

2. Additionally, users can sign in using Google accounts.

The image shows a login interface on a dark blue background. It features a light blue rounded rectangle containing the following elements:

- An input field labeled "Email Address".
- An input field labeled "Password".
- A green rounded button labeled "SIGN IN".
- A blue text link labeled "Forgot password?".
- A red button labeled "Sign in with Google" which includes the Google+ logo (a white "g" with a "+" sign) on its left side.

The "Sign in with Google" button is highlighted with a red rectangular border.

Money Management

Overall View

1. After logging into an account, the home page should default to the overall view.

Adding Expenses

1. Click on the spinning golden coin just above the chart to add an expense.

2. Choose a date, input expense, choose a category, and enter a comment/description.
